MEDITATION (60 minutes) THB 2,200++

• YOGA NIDRA (Psychic Sleep)

Yoga Nidra is an ancient yogic practice in a form of meditation and a mind-body therapy. It is a systematic form of guided relaxation.

• AJAPA JAPA MEDITATION (Breathing Awareness)

A powerful and complete meditation practice that can gradually take an aspirant from the most elementary level of body and environmental awareness to the highest stage of meditation. The practice involves repetition of a mantra in a combination with an awareness of the movement and of the breath through specific energy pathway in the body.

• CHIDAKASHA MEDITATION (Empty Space Meditation)

Chidakasha is a Sanskrit term that means "consciousness space" or "Inner space". In yoga philosophy, it is the link between the conscious, subconscious and super-conscious, located behind the forehead and Ajna chakra. Chidakasha is where gross and subtle activities of consciousness take place.

• TRATAKA MEDITATION (Awakening Third Eye Meditation)

Trataka, a technique used in a meditation practice, is one of the six purification techniques, called shatkarmas, of Hatha yoga. Trataka is a Sanskrit word, which means "to look" or "to gaze". As such, this meditation technique starts from a single point of focus. This is typically the flame of a candle, a dot on the wall, an object of worship, a deity, flower, mountain, rising sun or moon. However, a flame is believed to work best.
