Class Descriptions & Benefits

Restorative & Mindful Movement

Awaken Flow & Hatha Yoga: Begin your day with traditional postures combined with conscious breathing. Perfect for all levels seeking gentle, meditative practice.

Aqua Vitality Flow: Low-impact aquatic exercises that improve cardiovascular health, reduce stress, and build muscular endurance in our serene pool environment.

Static & Dynamic Stretching: Release tension through held stretches (static) or prepare muscles for movement with controlled sequences (dynamic).

Spine Reset & Lower Back Relief: Targeted sessions addressing travel-related tension and promoting spinal decompression for optimal alignment.

Aero Flow Boxing

Combines aerobic movement with boxing-inspired punches and kicks (no contact). An empowering cardio experience that builds confidence and endurance.

Muay Thai Foundations

Mindful introduction to traditional Thai boxing. Learn fundamental stances, techniques, and self-defense in a safe, beginner-friendly environment.

Fitball Neuromuscular

Challenge balance and coordination while building strength through supported movements. The instability enhances proprioception and core engagement.

Strength & Conditioning

Core Intelligence Training: Build internal stability and external strength using bodyweight and specialized equipment for functional core power.

TRX Precision Strength: Suspended resistance training that enhances alignment, coordination, and full-body tone using your own weight.

HIIT & TABATA: High-intensity intervals that elevate heart rate into anaerobic zones, maximizing calorie burn during and after your workout.

Circuit Conditioning: Cycle through diverse exercises targeting multiple muscle groups with minimal rest for comprehensive strength development.

Creative Wellness Experiences

Complement your physical practice with hands-on creative rituals that engage mindfulness, artistic expression, and sensory awareness. These intimate group sessions foster connection while you craft beautiful, personalized wellness products to take home.
